### **Date and Location:**

June 18-23 2006

Sonoma State University, Rohnert Park, CA

Athletes may also qualify by permission based on a race resume from the previous 12 months of racing prior to the camp.

USA Cycling will also launch an automatic qualification system for regional camps based on USA Cycling race results and rankings. Watch for updates on the exact races, series, categories and other details at [www.usacycling.org](http://www.usacycling.org).

### **Further Information:**

The cost for the 6-day camp is \$700 and includes all meals and lodging. Teams with 3 or more athletes in attendance will receive a discounted rate. Grants based on financial need are available from USA Cycling Development Foundation.

Camp performance results will be used to qualify top junior athletes to attend the 2006 National Endurance Camp to be held at the Olympic Training Center in Colorado Springs.
